A soul in the palm of a hand

STROKES and other disabilities can strip away the powers of speech and gesture, leading to isolation and social disadvantage. Dignity and self-esteem are lost.

The disabled need therapy and recreation to maintain their dignity and self-esteem.

Mickey Aronoff describes his creative process.

A puppet workshop enabled a group of disabled people to overcome isolation and regain their self-esteem. Mickey Aronoff describes the creative process.

Mickey Aronoff, a puppeteer, works at the National Puppet Theatre in London. He is also a social worker and a writer.
